Living The New Evangelization

April 20th—21st, 2012
Regina Inn Hotel and
Conference Centre ,
Regina, SK

Keynote Speaker: Jon Leonetti

National Speaker, Retreat Leader, Radio Host

As a National Catholic speaker, youth minister, parish mission leader, and radio host, Jon has dedicated his life to spreading the Good News of Jesus Christ in a faithful energetic and humorous way to thousands everywhere.

Born and raised in Iowa, Jon garnered National attention in 2009 while walking from California to New Jersey. After taking control of his physical health, losing 110 pounds, Jon and a friend set off to walk across the U.S.A., stopping to speak at churches, schools, and youth gatherings along the way. The cause: raising awareness, asking the young and old of America to turn their hearts and minds away from the empty promises of ego, fame, and greed that are

broadcast through too many television and radio stations today, and to turn them towards Jesus Christ.

The need for prayer was the central theme of his walk across America and by partnering with a film production company, Jon captured his adventure in a documentary.

Jon learned much from the incredible experiences of remarkable people that he met on the road. Whether they were prostitutes or preachers, homeless or successful businessmen, Jon listened to the many stories of those “walking” through life. Jon and his friend named their endeavor “Souly Walking,” and have been featured in newspapers, online articles, radio shows and other media coverage all across the United States.

Jon is a highly motivational, energetic, and humorous speaker that will capture the attention of any audience.

Jon and his wife Teresa live in Des Moines, Iowa. He is currently pursuing a masters in Moral Theology.

Living The New Evangelization

So often we get wrapped up in the notion that our God can be compartmentalized. However, we as Christians are called to put Christ on wherever we go, to whomever we meet, driving people closer to our Lord’s heart. Jon shares stories of the ways he evangelized on his walk and the practical and effective ways our Lord is calling us to be his disciples on the road we travel through life, bringing Christ’s message of hope in everyday, every-way living.
