

How to Bake Chocolate Chip Cookies

First, put on your apron so you don't get dirty. Then, turn on your oven to heat up.

Next, gather all of your ingredients: eggs, butter, sugar, vanilla, flour, baking powder and chocolate chips!

Mix everything together. Add your chocolate chips last.

Roll your cookies into balls and put on a baking pan.

Put your cookies in the oven.
Bake for 15 minutes.

Eat your cookies warm with a glass of milk. Yummy!
