

USING MY GIFTS & TALENTS TO MAKE OUR SCHOOL A BETTER PLACE

WHEN I WAS IN KINDERGARTEN,
MY MOM TOLD ME WE WERE GOING TO HAVE A BABY IN OUR FAMILY.

I WAS NERVOUS AND DIDN'T KNOW ANYTHING ABOUT BABIES

- Would I have to change diapers?
- What would I do when it cried?
- Would it break all my stuff?

But as my little sister grew, I
really liked playing with
her, finding ways to stop
her crying and helping my
Mom with her whenever I
could.

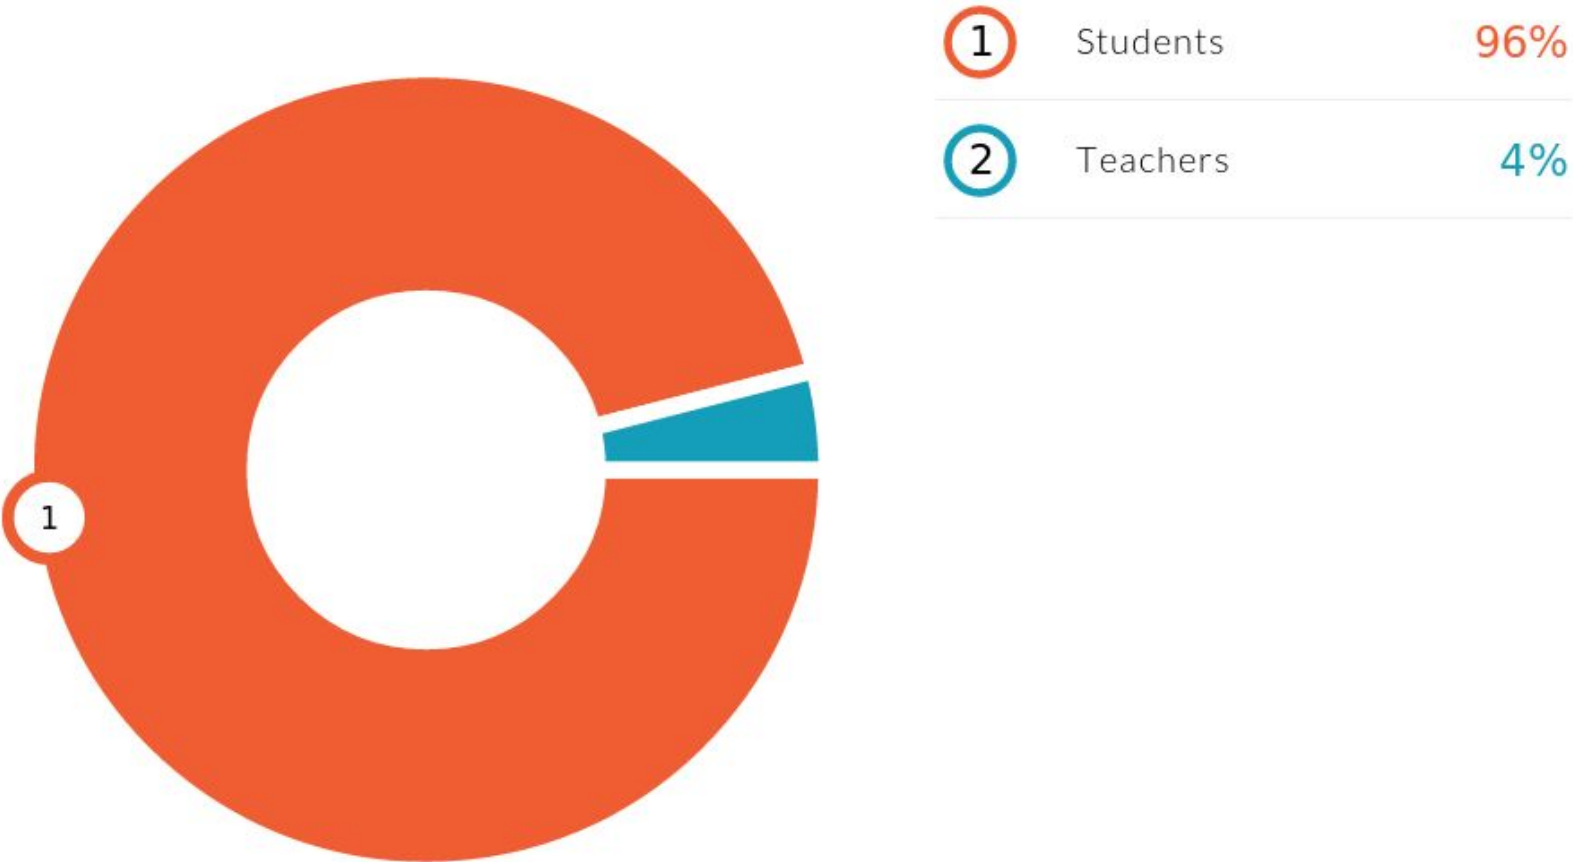

I FOUND OUT I HAVE A TALENT FOR HELPING AND PLAYING WITH LITTLE KIDS.
SO HOW CAN I USE THIS TALENT TO MAKE OUR SCHOOL A BETTER PLACE?

I CAN USE MY TALENTS TO:

- Help them while they are eating lunch
- Help them get ready to go outside
- Play with them during lunch recess to teach them games to play and show them how to get along

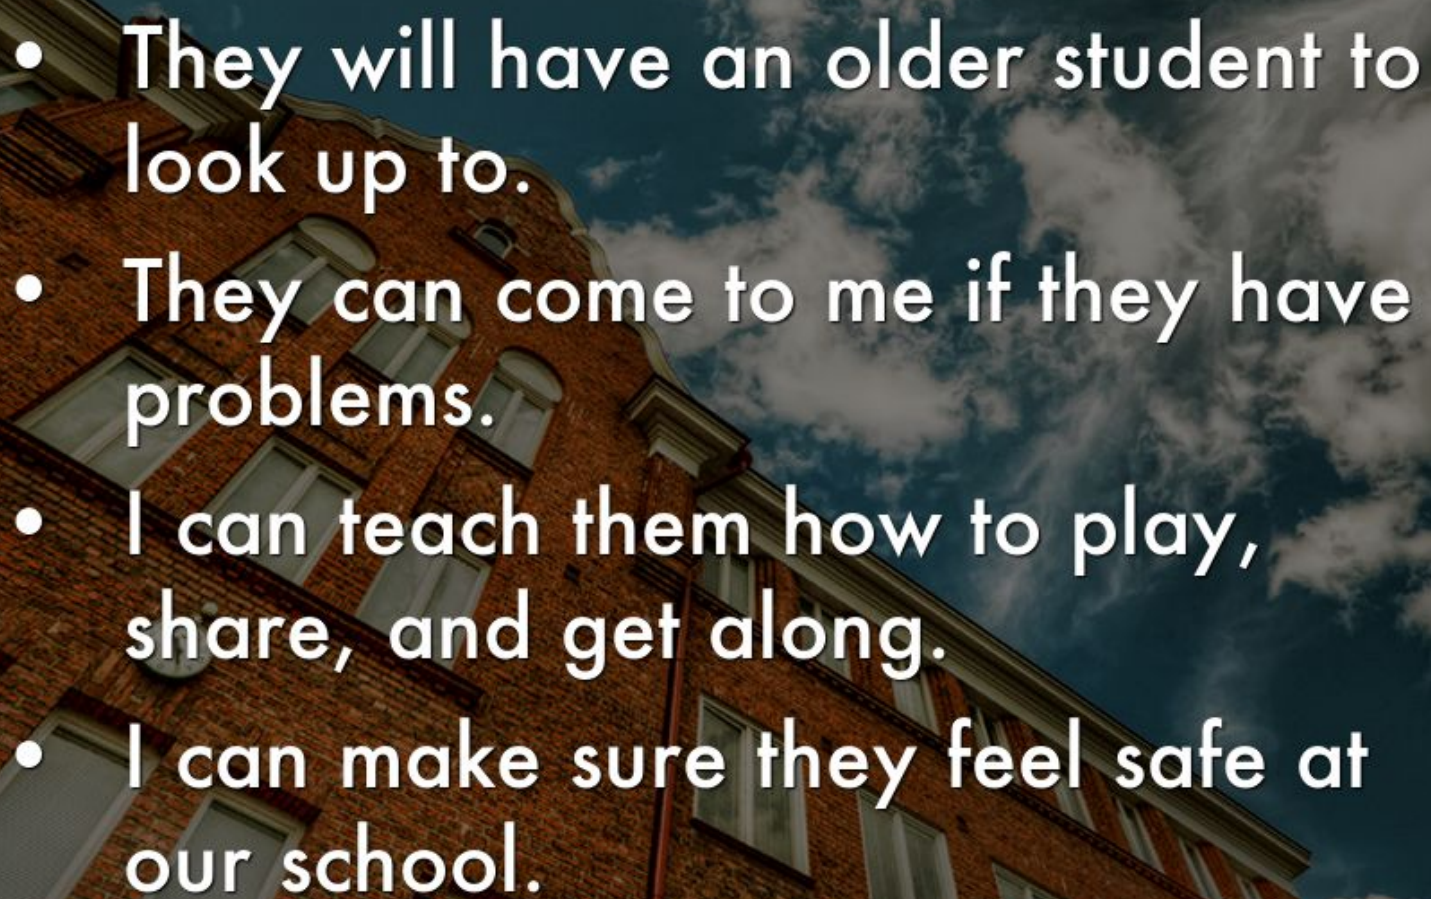

THERE ARE 48 KINDERGARTEN STUDENTS IN OUR SCHOOL, AND ONLY 2 TEACHERS.

I BELIEVE THE TEACHERS WILL SEE MY TALENTS AS A BIG HELP IN THEIR CLASSROOMS.

- 
- They will have an older student to look up to.
 - They can come to me if they have problems.
 - I can teach them how to play, share, and get along.
 - I can make sure they feel safe at our school.

I THINK THIS WILL HAVE A POSITIVE IMPACT ON OUR SCHOOL.
