Students get a Jumpstart on success

Community leaders will join 170 students for a skills competition at a wind-up event celebrating the Jumpstart Afterschool Program.

When: March 31, 2017, 2 – 2:30 pm

**Where: Henk Ruys Soccer Centre, Field 4
219 Primrose Drive**

The Jumpstart Afterschool Program is funded by Canadian Tire Jumpstart Charities. In November 2016, Greater Saskatoon Catholic Schools and Saskatoon Public Schools partnered with Give Kids a Chance Charity to develop a meaningful after school program for youth aged nine to 12 in seven Saskatoon schools.

Activity plans created and delivered by university mentors and high school youth leaders focus on sports, culture, recreation, and most importantly, leadership.
