St. Joseph High School students Halloween for Hunger

Students at St. Joseph High School went door-to-door asking for non-perishable food instead of tricks-or-treats on Halloween evening.

The Saskatoon Food Bank and Learning Centre will pick up all of the food collected at 10:00 am on November 2.

When: 10:00 am, Wednesday, November 2, 2016

Where: St. Joseph High School

115 Nelson Road

This is the seventh year St. Joseph High School students have collected food for the Food Bank and Learning Centre for Halloween. Last year, students collected over 12,000 pounds of food and are hoping this year's weigh-in will top 20,000 pounds.
