St. Augustine School in the village of Wilcox is very blessed to have a wonderful relationship with the parish of St. Augustine. The staff works closely with them to share in the development of Catholic Values with our children. The parish holds its meetings in the school along with a potluck lunch for the annual meeting. Each December St. Augustine School holds the Christmas concert at St. Augustine Church followed by a community lunch in Varsity Hall at Notre Dame. Father Prince joins students and staff at St. Augustine School the first Friday of every month to celebrate mass. The students take turns serving, doing the readings and intentions. These masses are shared with parents and other parishioners who enjoy the students involvement. The students of St. Augustine love to sing and are always praised by Father Prince for their efforts. We are very blessed to have Father Prince in our lives.

Other seasonal celebrations are held including: Thanksgiving Dinner, Lenten activities such as a Shrove Tuesday pancake breakfast, Ash Wednesday Mass and acts of kindness activities. A highlight this year was to perform the Stations of the Cross for the members of our school community. Every student had a role in this special performance and it was deeply appreciated by all guests.
