

**LOCCS' Grades 1-6 students at Rivier Elementary School in Spiritwood took some time to make Christmas cards and letters that have been sent to Canadian Forces Personnel who are currently serving overseas and will be away from their loved ones this Christmas. Students worked hard to write meaningful messages that will hopefully brighten someone's day. Great work Rivier School students!
(see the next pages for more pictures and letters)**

Merry Christmas
I hope you have a safe and great Christmas.
I hope you get home safely. I hope
when you go home you will be
safe. You are a great hero so
this will be your present for
Christmas. You also make me sad
that you have to risk your
life to protect us. You are so
brave I think you are braver
then anybody. If you have
time please write back.

Dear Hero

Instead of a normal thank you card I choose to write kind of a christmas card. Even though I do send my thanks for saving not just mine but millions of other peoples lives, thank you. I hope you and your freinds have a very merry christmas. Make sure you show your boss/leader + your friends. And please if you have any time write me back! PS Its okay if its a short writing.

Thank you!
