

All Saints Catholic School in Swift Current recently received a special thank you card from the new Syrian family that arrived in their community recently. The card displays pictures of the children ready for the school year. The children were carrying backpacks and school supplies purchased thanks to the fundraising from our Free the Children committee at All Saints Catholic. It is student efforts like this that make our school and faith community a great place to live in. Congratulations to our Free the Children committee and may God bless this new family as they adjust to their new life in Canada!

Troy Froehlich – Vice Principal
