A Special Prayer for The Most Reverend Donald Bolen

We pray for you, The Most Reverend Donald Bolen, as you begin this new journey as Archbishop of the Archdiocese of Regina. We pray that your happiness remains constant and that it continues to flow throughout your time as Archbishop. We lift you up to the Lord and pray that your faith continues to grow and that it continues to inspire many. We pray that you are welcomed into this new position, and community, and that people see the dedication and the love that you have to share with the whole world, especially with the hearts of the young and old. We ask the Lord, that He watch over you and provide you with good health and the strength that you will need to continue to proclaim the Word of God and teach us all how to be more just in a world that needs true justice. We ask the Lord for His protection over you as you journey across this Archdiocese and we pray that you feel welcomed and appreciated by all those that surround you. May God Bless you and Keep you! Amen!
