Dear Jesus,

We thank you for all mothers and carers around the world,  
and for all they do for their children.

We thank you for their patience when we don't get things right.  
We thank you for their encouragement when we find things hard.

We pray that moms would feel really special today  
and that you would remind us every day to show them  
as much love and help as they give to us.

Amen

In the month of May, it is a tradition at St. Michael School for our Grade 1 classes to honour their mothers in a Mother's Day assembly and picnic. We have such a fantastic group of families that attend this special day. This day is highlighted by student prayers, Bible quotes and pictures of the students with their moms, songs and intentions. They finish off the morning by enjoying a picnic together on the front lawn of the school.
