

Students are touring the Prince Albert Historical Museum and learning about local history and transportation on the North Saskatchewan River. They are gathered around an old log canoe that is being carbon dated to determine its age. It is a very rare artefact in the Museum.

Every year classrooms collect food items for hampers, Kateri House or the food bank. Pictured are grade 12 students gathering food for the food bank.

Students from St. Mary High School and Rivier Academy travel together to tour Batoche National Historic Site and learn about Metis Culture and the Resistance of 1885. Many students have family connections with people that were present at Batoche in 1885. The day begins with a traditional mass in St. Antoine de Padoue Church followed by a tour of the historical site.

St Mary High School hosts Prince Albert Rotary Club's Annual Model United Nations Day. Students represent various countries from around the world and debate global issues such as the elimination of poverty, nuclear disarmament, climate change and ISIS. Pictured are the students and staff of the St. Mary High School Team.
