

Each year St. Michael School in Weyburn, hosts a "Celebration of Light" at the end of October. We begin by inviting each family to bring their jack-o-lantern to school to help us light up the school. This year, the grade 1 and 7 classrooms joined together to lead us in a liturgy of light. They led the school in song and shared the story **The Pumpkin Patch Parable** by Liz Curtis Higg. We are so grateful to have such wonderful families at St. Michael and value each light that shines.

"Each of us has a light that shines within us. For some it shines brightly. For some it is an intermittent brightness. And for others, the light barely flickers. Don't be afraid to let the light of God shine within you."

*Peace and Many Blessings,
