

Trustee Announcement:

Good Morning/Evening,

My name is _____ and as a trustee for _____, I am pleased to share with you an introduction to Catholic Education Week. This week is especially set aside to celebrate **who** we are as Catholic schools, **what** we are as Catholic schools and **how** the connection of home, parish and school is an important part of Catholic Education.

For this upcoming week of May 6-13, 2018, our schools will celebrate the theme '**Be Joyful in Hope**'. We witness to the call of Our Lord Jesus Christ to be filled with joy knowing that we can place our hope in God. We can hope for the love of family and friends. We can hope for the opportunity to share our gifts and talents. We can hope for the care of creation. We know that God is gracious and loving and guides us in being an ever hope-filled and hopeful people. God ensures we see our hopes fulfilled and teaches us to rejoice joyfully.

Join us in the upcoming days to share in the prayer services and special activities at our school(s). Information regarding these events can be found on School websites or learned by contacting the school office.

Thank you.

Mass Intention:

For the students and staff of our Catholic Schools as they focus on the theme of '**Be Joyful in Hope**' during Catholic Education Week, may their celebrations help them to discover the gift of joy experienced in being a hopeful and hope-filled people following in the path of Christ, we pray to the Lord.
