

SHINING THE LIGHT ON...

Christ the Teacher Catholic Schools

Christ the Teacher Catholic School Division is committed to working together with parents and caregivers to promote faith formation and student learning. We believe education is a collaborative process involving close interaction among the family, parish, and school.

We are proud to share the growth we have made in reading achievement and graduation rates, as well as feedback from our parent survey.

Christ the Teacher Catholic Schools Parent Survey

We surveyed parents for feedback into the services available in our schools. Division results, as well as school-based reports, are reviewed to highlight areas of celebration of the good work occurring across our Division. Data also informs Division and school staff of areas that may be targeted for action planning and improvement.
