

On Thursday, March 29th, St. Michael School Grade 7 class presented a very moving “Passion Play” at our school’s weekly Gospel Assembly. The Grade 7 class depicted the Passion of Jesus Christ, his trial, suffering and death. This play was presented thoughtfully in a student-centered manner. This annual tradition draws in several people from parents to community members. We are very proud of our students and their teacher for taking initiative and showing pride and passion towards this special celebration.

*Peace and Many Blessings,
Lynn Colquhoun
