

The gifts of our Community...

In the month of October, St. Marys has been blessed with many gifts from our Estevan community. We are especially excited to welcome our new youth minister from St. John the Baptist Parish, Tim Elliott. Tim has been visiting our classrooms and presented activities from Development and Peace as part of our Education Week celebrations. We were also fortunate to have our resident artist, Rhonda Sandquist share her drawing skills with our students as well. Finally, our hometown Estevan JR A Bruins joined us for a visit and a floor hockey game. We are blessed with so many people and organizations that are here to help us grow in our faith and learning.
