E. D. Feehan's: Focus on the Family – The Feehan Family Gives Back VII

On **Tuesday, November 27, 2018** the entire E.D. Feehan Catholic High School population will go into the community to provide a morning of service. This is the seventh year where students live the words on the school crest, *Freedom, Unity and Charity*, and make the school motto come alive: *I belong to the Feehan family; who I am makes a difference.*

The event is funded through the Rotary Club and E.D. Feehan Catholic High School and supports the work of the Restorative Action Program.
