

Good News Story

What a remarkable start to the 2018-2019 school year! St. Augustine School celebrated its 10th Anniversary as a Catholic School this fall. The spirit of faith and gratitude has been spread through the walls of our little school ever since our celebration!

We started the year off with a kindness challenge and an opportunity for the students and staff to write “smile slips” and “caught you being kind” notes to others in the school which are read at our Wednesday assemblies. These examples of recognition and reflection sure brighten up the kids’ and teachers’ day! We will continue to promote this great initiative within our school in the hopes that all can reach out within the community to share this kindness challenge.

In December, St. Augustine participated in Z99 radio’s “Adopt a Family.” Through the fundraising efforts of our SCC providing two hot lunches, our students raised enough money to purchase food and gifts for a mother and her four children. The students helped wrap the gifts and prepared the hamper of food to be delivered to the family December 18, 2018. You can tell by the smiles on their faces, the happiness and pride they felt completing this project and giving to those in need.

Many blessings from the Staff and Students of St. Augustine School in Wilcox as we continue to let Christ’s light shine in 2019!
