

A Month of Kindness

During St. Olivier School's *Month of Kindness*, March 18 to April 12, 2019, each of our classes, Kindergarten to Grade 6, had to come up with an idea to spread kindness to others. Inspiration was received from the many examples of 'paying it forward' that one can learn about in the news and on social media.

Mrs. Lisa Fisher and her Grade 6 class came up with the idea of having a pot luck lunch and activities afternoon with the residents of Golden Heritage Senior Living Home. The parents of the Grade 6 students donated all of the food while the Grade 6 students donated their time and care in having lunch with the residents followed by playing board games and cards and socializing.
