

Answering The Call in Our Community

In March, St. Mary's School took on the challenge of reaching out to those in our community that need it the most. Each Tuesday and Thursday night, Warm Welcome, a service team in our community, offers a free supper for those who need a little hand up.

There are usually between 50 to 70 people, some with young families, who gratefully accept this gift. Our grade 5 class chose this as their service opportunity. They raised the funds to purchase food through a school bake sale, planned and prepared a meal. Our staff was so inspired that they returned the following week to prepare and serve the Thursday meal.

We can all be the hands of Christ if we only look for the opportunities in our very own world.
