

The Gifts of Advent ...

During the month of December, St. Mary's School in Estevan, SK has had a special focus this Advent season. Our Advent team, led by grade 8 students, wanted to spread a message Hope, Love, Joy and Peace with our community. The students at St. Mary's School made and delivered holiday cards to the patients and residents of St. Joseph's Hospital as well as visited (virtually) and shared stories with a wonderful group of seniors. Students also created Christmas artwork for essential workers as their way of saying thank you for everything they have done, and continue to do, for our community. St. Mary's school would like to wish everyone a blessed, faith-filled holiday season!
