STUDENT APPRECIATION WEEK

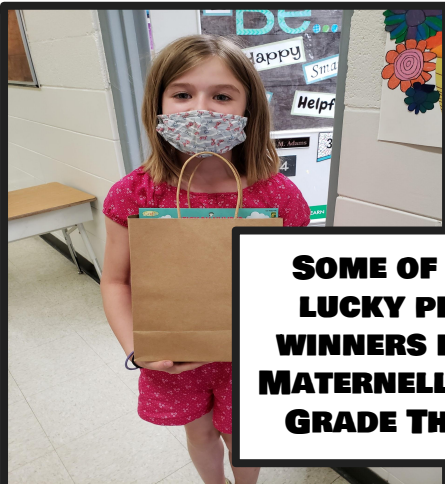

This year was rough, and we wanted to take a chance to celebrate our students for their perseverance and hard work in the face of covid protocols and restrictions. Our response was to host a student appreciation week that celebrated all they had been through and accomplished. It included prize draws, ice cream treats, pizza hot lunch, summer STEM kits, a dunk tank and a hose down by our local fire department. The kids were excited to end the year off with a bang and celebrate all we have been through this year! It was a huge hit and something we hope to celebrate each year!

MILLE ELDER, GETTING READY FOR HER DUNK TANK DEBUT!

A GRADE FOUR STUDENT ENJOYING A PIZZA LUNCH FROM BP'S! OUR FIRST AND ONLY HOT LUNCH THIS YEAR!

SOME OF OUR LUCKY PRIZE WINNERS FROM MATERNELLE AND GRADE THREE!
