Return to Classes

The return to classes for the 2021-22 school year saw some updated guidelines and procedures reflecting current public health orders and consultation with Local Medical Health Officers. These guidelines are intended to provide safe learning and working environments. To access the CTTCS Return to School document, please link to: <https://christtheteacher.ca/ctt/2021-2022-return-to-school-plan/>. Plans will be updated as necessary to reflect current conditions and guidelines. We thank all for your cooperation.

We were blessed with some amazing Fall weather for students to enjoy outdoor education. Pictured above are students canoeing at York Lake. Thanks go out to all staff who organized and led events, our volunteers and the Yorkton Canoe & Kayak Club for lending a safety boat.

Food Collections

A number of CTTCS schools participated in food drives this Fall. Pictured are groups representing St. Paul's (header) & St. Michael's (below) Schools.

National Day of Truth and Reconciliation and Orange Shirt Day 2021

On September 30th, Christ the Teacher Catholic Schools participated in Orange Shirt Day. On this day, students and staff were encouraged to wear orange to honour former residential school students, their families, and communities. This day is an affirmation of our commitment to ensure that every child matters, and our commitment to reconciliation, anti-racism, and Treaty education.

Parent / Guardian Survey

CTTCS is committed to working together with parents and caregivers in partnership to promote faith formation and student learning. We believe education is a collaborative process involving close interaction among the family, parish, and school.

To provide parents & guardians the opportunity to offer feedback into the programs and services available in our schools, CTTCS is committed to conducting a parent survey every two years.

This school year, the Parent & Guardian will be available online at <http://www.christtheteacher.ca/surveys/> from Friday, November 19th through Friday, December 10th.

Thank you in advance for your feedback, which serves as an opportunity to celebrate good work occurring in our schools and Division, and inform on areas to be targeted for action planning and improvement.
