Congratulations to all graduates from Dreambuilders High School and Sacred Heart High School. May God Bless you in all your future endeavours.

**Athletics**

Congratulations to all students who competed in ECDAA & SHSAA Badminton and Track & Field championships this spring.

**Outdoor Education**

The week of May 30 to June 3 saw the return of AMPO—an opportunity for all Grade 7 students in Christ the Teacher Catholic Schools to gather at St. Michael’s Camp at Madge Lake. Thank you to all the staff and volunteers for all your hard work and—despite some less-than favourable weather—helping create some life-long memories and friendships.

Sacred Heart High School also coordinates an annual week-long Outdoor Education trip along the Churchill River system in northern Saskatchewan. Check out their video on the CTCS Twitter or Facebook page.

### Fundraising for Ukraine

Earlier this Spring, St. Paul's School participated in fundraising efforts and classroom learning projects regarding events in Ukraine. Canora-Pelly MLA Terry Dennis visited St. Paul's School to thank the staff and students on behalf of the Ukrainian Canadian Congress.

### Wellness Fair

Throughout the year, increased focus on student and staff mental-health and well-being was a priority. This spring, some schools hosted Wellness Fairs to provide students strategies to support their own mental health and well-being and connections to community service providers. Pictured below is the St. Mary's School Wellness Fair. The bottom photo is from the St. Mary's School visit to at Yellow Thunder Horse Ranch Equine-Assisted Learning

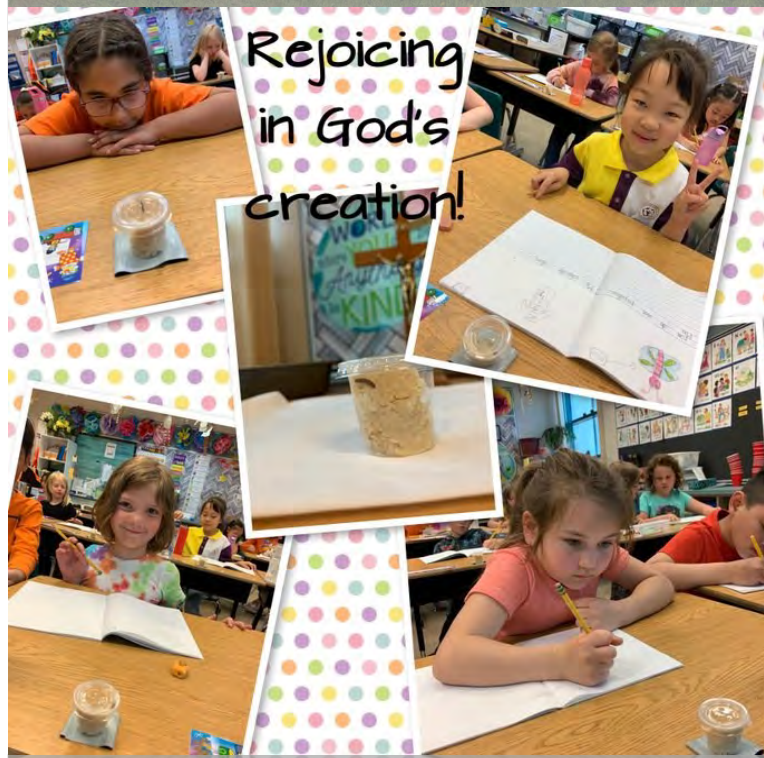

### Catholic Education Week

May 22-29, 2022

### Rebuild, Restore, Renew Together

Throughout Catholic Education Week, CTCS schools celebrated the outstanding contributions to Catholic education provided by our students, staff, families, parishes, and Board of Education.

Each day, activities and themes intended to deepen student understanding of aspects of "Rebuild, Restore, Renew Together" took place.

### Dreambuilders High School Equine Camp

Dreambuilders High School students participated in a day of “Learning and Healing Through the Spirit of the Horse” at Yellow Thunder Horse Ranch Equine-Assisted Learning. Thank you to the staff for leading a powerful day of learning.

### St. Theodore School—National Champs!

Congratulations to the Grades 7 & 8 students at St. Theodore School who recently were named “Saskatchewan’s Most Informed School”. They placed 1st overall Provincially and Nationally in the Skills Canada Chatter High Competition for schools with under 100 students.

### Rider Reading Buddies

Thank you to the members of the Saskatchewan Roughriders who came to lead some reading activities with students. Pictured below is Dan Clarke at St. Henry’s Jr. School and Brett Lauther at St. Alphonsus School.

### CAA Safety Patrol

Thank you to all students and staff advisors involved in providing Safety Patrol this past school year. Thank you for supporting the safety of students at school. Pictured below are CAA Safety Patrol members from St. Michael's & St. Paul's Schools.

### St. Alphonsus Library Refresh

Thanks to the support from the St. Alphonsus School Community Council, CN Railway, and all who helped in the fundraising, planning, and installation of equipment to refresh the St. Alphonsus Library.

### Elementary Band Concert

Students in Yorkton and Theodore Elementary Band held their Year End Concert at Sacred Heart High School. Thank you to all who attended.

### Channel 22

Sacred Heart High Schools rock band —Channel 22— performed at a number of CTTCS elementary schools as well as a tour of other communities recently.

**St. Henry's Jr. School**

Thank you to all community partners who have visited or hosted schools recently to provide classroom presentations and enhance student learning. Below is one example, when students from St. Henry's Jr. School visited a community business to learn about the jobs people do, how to plant and care for flowers, and even pay for items! At bottom, students learn about caring for a pet during a visit with staff from a veterinarian clinic during an "I Speak Animal" interactive learning opportunity.

**St. Mary's School**

Students and staff from St. Mary's School visited Goose Lake School as part of their Invitational Shared Services Initiative—an opportunity to learn from and with peers from Goose Lake School. Below are pictures from a Round Dance students and staff attended, as well as students and staff participating in the Moose Hide Campaign - an effort to eliminate violence against children and women.

### Rosary

Throughout the month of May, schools participated in working with community members to pray the rosary and make their own. Thank you to all community members who assisted. Pictured below are students from St. Alphonsus School, St. Henry's Sr. School, St. Michael's School and St. Theodore School.

### St. Henry's Sr. School Gr. 9 Trip

Each June, the Gr.9 class from St. Henry's Sr. School participates in a year end trip, which includes elements of faith formation, curricular learning, and a lot of fun. Pictured below are photos from their recent trip to Saskatoon and Wanuskewin Heritage Park.
