When we see: God calls us to be united and for all God's people to be one. We come to greater unity when we see and embrace our differences and all that makes us unique. #CEWSK

When we listen: God created us to be unique. In our uniqueness comes many voices, many opinions, and many ideas. When we engage in deep listening it can bring us together as one. "You must understand this, my beloved: let everyone be quick to listen, slow to speak, slow to anger." (James 1:19)

When we reflect: What does God ask of us? We are asked to do justice, to love kindness, and to walk humbly with God. When we consider these things and take time to reflect on who we are and who we want to become we are more likely to grow into the people we were created to be. #CEWSK

When we learn: We are called to learn and contemplate the valuable contributions of all God's people. Each year, on Ascension Thursday, we give thanks for the gift of Catholic education. World Catholic Education Day is a time for Catholics around the world to pause, reflect and pray on the gift that is Catholic education. #CEWSK
